**All sponsors, business names and logos must adhere to district policy on advertising as well as booster guidelines - no alcohol, tobacco, firearms, nor religious and political organizations. Outdoor banners must be produced on air relief banner material, or mesh vinyl, as REQUIRED for regional stadium and outdoor field locations. All regional stadium and field banners are required to be a standard size of 3' tall x 5' wide. Banners should have 4 grommets at the top and 4 grommets at the bottom and printed on one side only. LISD does not insure company provided banners and is not responsible for any intentional or unintentional damages or theft.*
